

Moving your favorite coffeehouse
closer to you... a lot closer.

Experience the pleasures of delicious hot beverages that rival the quality of any gourmet coffee shop.
Enjoy exotic roasts, indulgent cappuccinos, café mocha, creamy hot chocolate and much more.

Hot Drink Center 2

FullBrew™ is a revolutionary brewing system that delivers gourmet quality coffee to your workforce. Beverages are brewed one cup at a time, on demand, in seconds. The HotDrinkCenter 2 is the first coffee machine in the market that can deliver cup sizes up to 20 oz. — just like you find at gourmet coffee shops, convenience stores and coffee kiosks.

▶ PRODUCTIVITY

For that morning coffee, employees can skip the long lines, beat the traffic, and avoid the extra stop at the coffee shop knowing gourmet coffee awaits at work.

Eliminate those extra long breaks required for the trip to the lobby kiosk or the donut shop down the street.

Keep your associates on site, at work, on time and focused on the tasks at hand.

▶ VARIETY

Satisfy every taste preference with Whole Bean or Fresh Brew Coffee, Cappuccino, French Vanilla, Café Mocha, English Toffee, Hot Chocolate and even custom recipe hot beverages. Employees can adjust strength levels and customize condiments to meet their individual tastes.

▶ SATISFACTION

In addition to fantastic coffee and hot beverages, the HDC 2 has SureVend™ to

guarantee the product delivers to your employees or their money back.
